

## **Hall News**

Emersons Green Village Hall would like to thank our previous Chair of Trustees, Bharat Aheer, for his leadership over the past few years. He guided us through difficult times and we appreciate his hard work. We would like to take this opportunity to wish him every success in the future..

Emersons Green Village Hall would like to introduce our new Chair of Trustees, Catherine Lombardo, who took over the role at our AGM this year.

“I am honoured to be Chair of Trustees because of Emersons Green Village Hall’s importance to the local community. I have personal experience of its benefits, as I have hired rooms and attended activities there over the last fifteen years.

The Hall is going through a challenging period, as it continues to recover from the consequences of COVID -19 and deal with rising costs. My aim is to build on the progress made under the previous Chair and ensure that the Hall eventually becomes profitable again, so that it can remain at the heart of our community.

I am also keen for the Hall to diversify its events even further and will be exploring the possibility of more activities for those who are vulnerable. I have considerable experience with individuals who have complex needs and I know how tough it can be to find suitable events for them.

I look forward to working with my fellow trustees, the team at Emersons Green Village Hall, the local community and Emersons Green Town Council.”

We are delighted to welcome Catherine!
