

## Discounts Policy

Emersons Green Village Hall (EGVH) aims to be at the heart of the community. We value the loyalty of our regular hirers and recognise that the local community may struggle to afford our standard room hire rates. The Trustees therefore consider it appropriate to offer the following general discounts on our usual room hire rates:

1. 20% for charities and non-profit organisations;
2. 10% off the first month for new regular hirers.

In addition, regular, term-time hirers receive discounts on one-off bookings in South Gloucestershire Council school holidays.

These discounts are set during our Management Committee Meeting every September and come into effect from 1st January the following year. They are communicated to our regular, term-time hirers privately.

The Trustees also consider requests for other discounts on application from individuals and/or groups. Interested parties should contact the Hall Manager to discuss their situation in the first instance.

The Trustees will review this Policy regularly and at least every twelve months.
